

STAY UP TO DATE AT ALL TIMES

KONE Online and KONE Mobile

USING OUR NEW DIGITAL CHANNELS,

you and your team can stay up to date on the status of equipment and maintenance work around the clock.

Easily monitor all our maintenance work through online communication and reporting systems that provide real-time information on the condition of your elevators and escalators – including details on repairs and their associated costs.

KONE ONLINE – INFORMATION ON OUR MAINTENANCE WORK WHEN YOU NEED IT

- Get detailed info and summaries about the health of your equipment.
- Stay up to date on the progress of service orders.
- See helpful usage stats, key metrics and equipment history.
- Plan ahead and budget for future maintenance needs.

KONE MOBILE – REAL-TIME UPDATES ON THE GO

- Would you like a heads-up when your maintenance work is starting and when it's all done?
- With our app, you can:
 - Receive service status notifications for the entire process from service request registration to completion of the work.
 - Make maintenance service requests using the app instead of having to call KONE.
 - Get in touch with your KONE contacts with a single tap.

KONE ONLINE AND KONE MOBILE ARE AVAILABLE FOR OUR MAINTENANCE CUSTOMERS
