Notes:
1. Smaller pit and overhead dimensions may be available per specific applications. Contact your KONE Sales Professional for further information.
2. Buffer service platforms are required when pit depth exceeds 8'-6" (2590 mm).
3. A hoist beam (by KONE) is required for installation (by others). Dimension H reflects clear under hoist beam.
4. If occupied space exists below the hoistway, consult your KONE Sales Professional.
5. All dimensions are based on an 8'-0" (2438 mm) cab with a 7'-0" (2134 mm) door. Alternate car and door heights are available, but will affect dimension H.
6. If an Emergency Battery Device (EBD) is required, please contact your KONE Sales Professional for further details regarding dimensions J and L.
7. Contact your local KONE Sales Professional regarding local code variations when utilizing the integral and remote closet options.
8. If utilizing KONE Polaris™ destination control system or KONE Access®, contact your local KONE Sales Professional regarding control space size requirements.
9. 4'-0" (1219 mm) door width also available.
